Description

A fake pair of bowls... In chiseled and gilded brass... With a translucent enamel called plique à jour... From the 1950s/60s... In perfect condition, just a few manufacturing imperfections...

CHINESE origin... I think from the CANTON region... It's delicate and subtle... One is slightly higher... They have the same diameter with a difference of 0.1 centimeters... The higher one has a more amber enamel than the other... For your information, if you need more photos, don't worry, ask me...! Weight... 233 gr
