

19th Century Austrian Painted Wooden Chest

950 EUR

Period : 19th century

Condition : Bon état

Material : Painted wood

Length : 124

Width : 70

Height : 61

Description

Traditional Austrian chest, originally used for storing linen. Beautiful original decorations. Never repainted. Traces of imitation marble on its base. Very pretty piece of furniture for the entrance to chalets or mountain houses, which can even be used as a wood chest.
