Description
-------------

Several figures are moving in a garden, it must be a meeting of scholars, wise men or divinities. There is a red stamp in the bottom left that is difficult to see, we made an enlargement of it. Probably the stamp of a Chinese collector or the artist. There are a multitude of small holes that were once repaired with the greatest care. Given the small dimensions, it must be a cut-out part of a large scroll. Chinese work from the Qing period or earlier. 39x29cm.
