Description

Intriguing oil painting on canvas, depicting the portrait of an artist, dressed according to the fashion of the time. The details of the collar are exquisite, when folded they create a dynamic effect, like the fold at the back of the dress. The green patterned bow is painted excellently, magnificently rendering the brightness of the knotted silk. Finally, the blue of the background contrasts well with the painter's hat and the gaze, slightly mocking, and magnetic, follows the viewer, involving him in the work itself. Era late 18th century - early 19th century. Painter from the Swiss German area. Dimensions without frame: 63.5 cm x 54.5 cm
