Description

Oil on canvas depicting a rural scene in a mountainous landscape, typical of the Swiss Alps. A wooden farmhouse with steep roofs stands at the center of the composition. Figures and animals enliven the scene in a sunlit valley, framed by rugged, rocky peaks. The peaceful atmosphere, bathed in golden light, recalls the idealized landscapes of 19th-century Swiss or Germanic painters influenced by Romanticism. Presented in a carved and gilded wooden frame in the Empire style, featuring a decoration of pearls, ovolos, and palmettes.
