Description

This vintage 18K gold ring offers a superb balance of structure, timeless beauty and refined detail. Made of high-purity yellow gold, its geometric shape and bold proportions evoke classic mid-20th-century jewelry design, with a silhouette that is strong yet surprisingly versatile. At the center of the ring, a circular setting holds seven natural diamonds arranged in a subtle floral formation, creating a harmonious and bright focal point. This floral or halo-style setting is a traditional choice that brings elegance without excess ornamentation, preserving the sober character of the piece. Thanks to its structure, dimensions and overall aesthetic, this ring comfortably belongs in the category of unisex jewelry. Its wide band and clean lines echo the tradition of masculine rings, while the
