Description

- Oil on canvas.- An accomplished portraitist of the mid-20th century Andalusian bourgeoisie, Enrique Segura is also an exquisite still life painter, who in this pictorial haiku masterfully works the color white among the lurking earthy shadows. From the immaculate, brilliant brilliance of the wallflowers to the bony sepia of the shell, Segura captures the secret chromatic rhythm of the thousands of conjugations and configurations that can be extracted from the absolute relativism of colors.- Dimensions of the unframed image: 48 x 58 cm / 58 x 68 cm with a magnificent frame.- Galerie Montbaron encloses with all its lots a technical sheet drawn up by a qualified art historian. This form is sent in digital format and upon request.
