

Bronze Age Socketed Axe

350 EUR

Period : Before 16th century

Condition : Bon état

Material : Bronze

Width : 6cm

Height : 9.5cm

Description

Beautiful cast iron socketed axe dating from around 600-900 BC. The axe has an outer ring for attaching it to the tool. It is decorated with segmented edges and has a beautiful glossy patina. Axes of this type were common in the UK, where they were widely used and excavated in past centuries.
