

## Marseille 18th Century: Earthenware Plate With Floral Decor

140 EUR

Period : 18th century

Condition : Très bon état

Material : Earthenware

Diameter : 25 cm

### Description

Charming Marseille earthenware plate, circa 1770, decorated with a scattering of flowers and branches. A pretty fretwork shape, well known to the city's many workshops, which in the absence of a signature cannot be firmly attributed. It bears an old collector's label, difficult to decipher. A tiny chip, otherwise excellent condition. It can be matched with another one, offered further on, as it has the same shape and diameter. She come from the same collection.
