Description

We are presenting today this very important framed oil on canvas, entitled "le gouter sous le cabanon", signed E. ADDARI. A sunny atmosphere of happiness in this important painting. A palette of colors ranging from soft blue, to pink through yellow, green and purple. This painting is impressive for its quality and what it gives off. In good condition, note however a tear at the bottom. Elyane ADDARI born in 1936, a painting by this artist lot 116 "femme et enfant" made 6000 Euros with fees, we find ours much but much more beautiful. (E25)
