Description

Large Baluster Vase with Short Neck by Legras - "Vimoutiers" Pattern This elegant baluster-shaped vase with a short neck is a fine example of Legras glass from the Art Deco period. Made of translucent, bubbled, two-layered glass (with a clear outer layer), it features a marbled blend of blue, green, and white tones. The "Vimoutiers" décor consists of a finely wheel-engraved band of stylized leaves and fruit. Signature: Engraved on the body: Legras Dimensions: Height: 35 cm - Width: 18 cm Condition: Very good Period: 1925 Bibliography: Legras, Verrerie Artistique et Populaire Française by M. Michel & J. Vitrat, p. 352 - same series described Reference: 48
