

## Antique French Marquise Ring In 18k Rose Gold And Platinum, Set With Rose-cut Diamonds

1 290 EUR

Period : 19th century

Condition : Parfait état

Material : Gold

### Description

This exceptional 19th-century marquise ring of French origin perfectly illustrates Victorian craftsmanship. It has been meticulously crafted in warm 18K rose gold, enhanced with 950? platinum, and reveals a slender silhouette typical of the "marquise". Thirteen rose-cut diamonds, hand-cut and polished to enhance their soft, muted radiance, delicately adorn its surface. The work of the under-guarantee reveals refined craftsmanship, a testament to the golden age of French jewelry. Both sustainable and ethical, this collectible jewel lends itself equally to everyday elegance and to being displayed on special occasions. Ideal for lovers of period rings, antique jewelry or collector pieces, it embodies the combination of Victorian romance and understated luxury. Technical details Size: FR 56
