| Description |
|-------------|

Painting of an inn scene in a mountain landscape from the late 19th century. Very interesting, high-quality painting with numerous characters and animals inspired by the Dutch school in an alpine landscape, perhaps Swiss or Austrian. Very interesting subject, very well treated with a beautiful size, 113 cm by 90 cm, making this beautiful work a central decorative piece in a beautiful interior. Signature of the artist at the bottom right to decipher. Possibility of sending in France and worldwide by secure and insured package with order tracking. Invoice and certificate provided.
