

Lot Of Three Antique Italian Pierced Ceramics

160 EUR

Period : 20th century

Condition : Etat d'usage

Material : Terracotta

Description

These three ceramics, not identified by a mark, share the same stylistic elements and are of Italian manufacture, probably Umbrian or Tuscan, from the first half of the 20th century. They consist of a basket, a round box, and a boat-shaped centerpiece. Signs of use on the glazing are evident; both the box and the boat-shaped centerpiece have a fractured and glued foot (see 2 last photos).
