

Bronze Sculpture "the Dancers" - Black Marble Base

2 400 EUR

Period : 19th century

Condition : Très bon état

Material : Bronze

Description

Bronze sculpture depicting two dancers in perfect symmetry, captured in graceful and harmonious movement. Each figure wears an elegantly crafted pleated dress, reflecting the refinement of the Art Deco style. The raised arms joined at the top highlight a fluid and synchronized choreography. The whole rests on a sober and solid black marble base, which highlights the finesse of the bronze. A testimony of elegance and sculptural balance.
