Description

Exceptional vintage ring by Andrew Clunn - Natural unheated ruby, diamonds and 18K yellow gold Sublime ring dating from the 1970s, by Andrew Clunn, renowned master jeweler trained under the legendary David Webb, an emblematic figure of American fine jewelry. Clunn was his right-hand man for twelve years, crafting pieces for a prestigious clientele - from Elizabeth Taylor to the Duchess of Windsor - before founding his own workshop on Madison Avenue in New York. This ring embodies all the richness of his know-how: boldness of form, refinement of setting and absolute elegance of proportions. Description of the jewel: Mounted in 18-carat yellow gold, this rare piece showcases a natural, unheated cabochon ruby with a saturated red hue and superb varnish. The generously sized stone

(1.5 cm high, 1 cm wide, 6 mm thick) is framed by 62 round brilliant-cut diamonds, for a total of approximately 1.25 carats. o Ring size: 7 (equivalent to a French size 54) o Gross weight: 14.5 dwts (approximately 22.6 grams) o Condition: Good overall condition with slight traces of use, normal for a vintage piece of this period. Every detail of this ring reflects the hand of an exceptional goldsmith, between tradition, elegance and strong character. Ladies, don't wait any longer to treat yourself to this magnificent ring... It could well be the very first link in your collection, or even the beginning of a future family jewel. And if no one offers it to you? Give it to yourself! Believe me, this ring is impressive, very, very beautiful worn - German style, full of presence and chic. It's a ring you want to keep for the rest of your life. The American size 7 actually corresponds to a French size 54 (inner diameter of approximately 17.2 mm). Worldwide shipping offered by Galerie De Cicco
