Pierre Alexandre 1930 Figurine - The Learned Dogs

380 EUR

Period : 20th century

Condition : Très bon état

Material : Lead

Description

Figurine made by the figurine maker Pierre ALEXANDRE who was active between 1930 - 1960 in Paris. Good original condition. He specialized in the small trades of the Pont Neuf in the 17th century, but also represented all periods of French history. His figurines and soldiers are made of folded sheet metal and lead, entirely made and painted by hand, his production is therefore quite limited, which explains the difficulty of finding his works, especially in good condition.
