Description

Enhance your collection with this sumptuous 18K (750?) yellow gold cluster ring, finely crafted in solid gold. Its center houses an old-cut diamond of approximately 0.50 ct (F-G color, VS clarity), set in a scalloped bezel, surrounded by eight old-European-cut diamonds totaling ~1.60 ct. Each hand-cut stone diffuses a soft, richly faceted radiance, highlighted by the gold setting that catches the light from all angles. Weighing a substantial 13.71 g, the comfortable and balanced band ends in an adjustable European size 60, to ensure a perfect fit. Technical details Metal: 18K yellow gold (750?, hallmarked) Center stone: Old cut diamond, ~0.50 ct, F-G color, VS clarity Accent stones: 8 old European cut diamonds, total ~1.60 ct Style: Vintage cluster, heirloom quality Ring size: EU 60 (adjustable) Total
