

Bust Of Roman Emperor In Patinated Terracotta

1 850 EUR

Period : 18th century

Condition : Bon état

Material : Terracotta

Width : 50

Height : 74

Description

The artwork is characterized by an intense facial expressiveness that gives it a dramatic and solemn imprint. Details such as the studs of the breastplate and the barely visible scales at the base of the armor indicate a military depiction. The surface is marked by natural craquelure and gaps in the patina, elements that increase its charm.
