### Description

Superb oblong-shaped jardiniere, signed Christofle, in silver-plated bronze, dating from the second half of the 19th century. Resting on four richly sculpted claw feet, the frame features a neo-classical decoration adorned with foliage, volutes, and finely chiseled cartouches. Two majestic lion heads frame the piece, giving the whole a noble and decorative character. It has its original crystal, elegantly cut, perfectly adjusted to the frame. This piece of beautiful size (46 cm long by 29 cm wide) is a testament to the exceptional know-how of the Maison Christofle
