Description

Omega Seamaster chronograph reference 105.004 in 18K yellow gold, featuring the caliber 321, allowing the addition of hours and minutes with a column-wheel chronograph start and a hand-wound movement. Its original silver dial is in good condition, with applied baton indexes and original luminescent hands. The solid case is composed of three pieces, unpolished, with a screw-down caseback. Both the mechanism and the case bear a signature and a serial number. The dimensions are 35.5 mm (excluding pushers and crown) x 42.5 mm (including lugs) x 12.5 mm (including glass). This lightly worn item is in excellent condition and works perfectly. Service: 04/2025, 2-year warranty.
