Description

Beautiful view of the Louvre with the Pont du Carrousel, dated 1947. Pierre Lafages (1925-?). Little-known painter, about whom there is little information apart from his date of birth and works that have been auctioned. In his production, we find too compositions with a surrealist or abstract tendency. This view, created by the painter in his youth, is treated in a modern spirit corresponding well to the style of the 1940s. Oil on canvas 54x65 cm. Good condition. Beautiful patinated carved wooden frame called "Montparnasse" in good condition 72x83 cm
