Description

Bernard Alligand (born in 1953) -- "Passage through" Mixed media on handmade paper - Signed lower right - Titled and annotated "Bon à tirer" lower left Unique proof known as "Bon à tirer", a reference piece validated by Bernard Alligand himself before the edition was printed. This highly refined work combines stamping, collage and painting on handmade paper with fringed edges. In a balanced and vertical composition, the artist deploys a mineral palette, where textured blacks contrast with light blue bands and shades of ochre and off-white, punctuated with touches of bright red. Alligand, a recognized figure in French contemporary abstraction, develops here a sensitive work where matter and light dialogue with the silence of forms. Dimensions: 34 x 51 cm Condition:
