

Etched Dress Bayonet By Alcoso

550 EUR

Period : 20th century

Condition : Très bon état

Material : Wrought iron

Description

German WW2 dress bayonet with etched blade made by Alcoso. Nickel-plated zinc hilt. Some of the zinc is showing through. Black Bakelite grip plates held on by two steel rivets. Nickel-plated steel long-style blade etched on the front side with the textbook standard Alcoso etch "Für Erinnerung an meine Dienstzeit" meaning "in remembrance of my time in service." High quality and deeply etched. The backside of the blade is stamped with the Alcoso logo. The leather buffer pad is in place. Original black-painted steel scabbard.
