Description

Deluxe production Forestry dagger made by WKC, complete with a brown leather frog. Textbook WKC model with large deer clamshell. Stag horn grip plates with all six acorns in place on the front and backside. This is a heavy dagger. Steel double-etched blade stamped with the WKC logo on the front side under the clamshell. Multiple corrosion marks on the blade. Black leather scabbard with typical WKC scabbard fittings held on by staples on the backside. The fittings are stamped "20" under the staples. Note the highly hand-detailed bottom scabbard fitting. The dagger comes with a beautiful brown leather frog in great condition.
