Description

Heart-shaped, antique yellow gold pendant made of satin gold. It opens with a hinge on the top and has 2 compartments with gold circles to hold memories: photos, locks of hair, small flowers or dried clovers... Its front face is delicately chiseled with floral motifs ending with 3 supposedly fine half-pearls. 3 tassel motifs adorn the rest of the decoration and are set with a ruby, a sapphire and an emerald. A crown of laurel leaves adorns the circumference. On the back, this same crown is present and the rest is in smooth gold. Pendant sold alone without its presentation chain. Period: 20th century
Main material: yellow gold, 750 thousandths, 18 carats, eagle's head hallmark.
Proportions: Height: approximately 3.5 cm, width: approximately 2.7 cm, thickness: approximately 4.3 mm. Net weight:
