Description

J. Bonnevey (active in France in the late 19th century) Portrait of a Gentleman Signed upper left (the signature is quite difficult to read, but without a doubt Bonnevey's) Oil on canvas 60,5 x 50 cm Framed : 70 x 60 cm This portrait, which is particularly striking for the vivacity and vitality it evokes, is typical of this painter, whom we know from different documented works. One can only imagine how he posed this model to bring out so many elements of his character and personality. Two portraits of men by Bonnevey can be found in two French museums: the Musée Crozatier in Le Puy en Velay and the Musée d'Unterlinden in Colmar. Both are of the same quality as our painting.
