Description

Important sculpture in spelter of great finesse of execution representing the mythological hero Perseus victorious over the sea monster after having freed Andromeda. The victor is represented in contraposto, helmeted and carrying his spear. The features of the face are very expressive, he wears a pendant around the neck. The sea monster is lying dead at his feet. beautiful resumption of chiseling and beautiful old patina in the manner of an antique bronze. He has retained his original spear. He rests on an oval sea green marble base and bears a brass cartouche entitled the victor by Picault. Signed Picault on the terrace at the back. A mythological sculpture with a strong presence. Dimensions: 68 cm high We deliver and ship all over the world.
