### Description

We are presenting this daring thing since it is a work elaborated from Camembert box lids. I loved this popular work that I bought more than 30 years ago and that I have kept until today. This artist treated the crucifixion of Christ in a rather naive way in three stages. He sculpted the main figures, polychromed them and painted the whole in his own way. From this work emerges a crazy charm, a soul, work signed Estaque 93 therefore 1993. (E25)
