PROANTIC
LE PLUS BEAU CATALOGUE D'ANTIQUITES

Chinese Screen

250 EUR

Period : 19th century

Condition : Etat d'usage

Description

This small, double-sided screen is painted on canvas with Asian scenes. It might benefit from a good cleaning to bring out the colors. It has a small snag (photo). I think it dates from the 19th century. Height: 81cm and 3 panels, each 27cm wide.
