

Painting The Triumph Of Galatea

9 500 EUR

Period : 17th century

Condition : Bon état

Material : Oil painting

Length : 130

Width : 100

Height : 130

Depth : 5

Description

Beautiful work by a great master. This work in question has strong characteristics in the Bolognese school of the late 1500s and in particular in the Carracci workshop with a known reference of an engraving that refers to the painting. We believe that it is very close to the works of Agostino Carracci 1557-1602. Painting in good condition, last restoration 1985.
