18k Yellow Gold Cocktail Ring Set With Sapphire And Diamonds

3 500 EUR

Period : 20th century

Condition : Très bon état

Material : Gold

Description

This sumptuous cocktail ring, crafted in 18K (750?) yellow gold, features a faceted oval sapphire of approximately 1.20 carats in the center. On each side, ten square-cut sapphires (? 0.30 ct in total), creating a striking contrast between the deep blue of the stones and the warmth of the gold. All around, twenty-four brilliant-cut diamonds (? 0.25 ct in total), mounted in delicate prongs, form a sparkling halo. The slightly tapered band offers comfort and support, while the cluster design gives this piece a strong character, ideal for enhancing your evening outfits as well as your most daring looks. Finger size: FR 52 / US 6 (resizable on request) Period: Late 20th century Style: Cocktail / Cluster Materials: 18K yellow gold, natural sapphire, diamonds Weight: metal 6.10 g; central sapphire
