

Table With Renovated Turned Legs

210 EUR

Period : 20th century

Condition : Restauré par notre atelier

Material : Solid wood

Description

Table with turned legs that can be used either as a desk or a side table. Materials: solid cherry wood. Renovation: this antique table has been washed. It has also been completely sanded to remove its old layers of brown varnish and regain a more natural look. It was then protected with a colorless matte varnish. The table retains a mark on the top. Condition: the table is sound, solid and stable on its legs. Dimensions: L90.5 x D55.5 x H73 (61.5 under the band). This antique table is undoubtedly full of charm and will bring, with its soft curves and patina, a warm look to your interior
