

Patinated Side Table (renovated)

120 EUR

Period : 20th century

Condition : Restauré par notre atelier

Material : Painted wood

Description

Small patinated side table. Materials: solid wood. Features: this patinated side table has three shelves. Renovation: this side table, originally painted in green, has been completely sanded to patinate its paint. It was then washed. Dimensions: L43.5 x D40 x H72.5. Spacing between shelves: 27.5. This side table will add some pep to your interior thanks to its pretty green patina. Bedside table, side table, small console, it is multi-functional and full of character!
