

Truncated Column Sheath In Louis XVI Style Mahogany

1 350 EUR

Period : 19th century

Condition : Très bon état

Material : Mahogany

Length : base 40cm x 40cm

Diameter : 24.5 cm (fut)

Height : 110 cm

Description

Truncated column sheath in mahogany and mahogany veneer in the Louis XVI style. Shaft with brass fluting. Square base topped with a brass flange and ogee. French work from the end of the 19th century. Very good condition - restored and revarnished with a buffer by our workshop, some micro-shocks from use on the brass.
