Description

Vintage children's coffee table or workshop table on wheels - Raw industrial spirit???? An authentic piece of furniture with a resolutely industrial lookDiscover this superb little vintage table on wheels, with its raw and patinated charm, perfect for those who love pieces with character. Initially intended for school use or as a children's workshop, it now finds its place in an interior decor with an industrial, retro or diverted style.???? Functional & mobileThanks to its four metal wheels, this table is easy to move and can be used as a side table, an offbeat bedside table, a plant stand or a mini serving trolley in a living room or office. Its tubular metal structure gives it unfailing robustness, while its wooden top brings a beautiful visual warmth.???? Original patina & vintage aestheticThe faded green paint and the
