Description

Exceptional T-shaped panoramic composed of three stained glass panels decorated with a seaside landscape, the vertical panel positioned in the center with a horizontal panel at the top on each side, allowing the continuity of the decor. The pines, the dunes, the sea, the clouds are magnificently represented by the lead-mounted glass elements of rare and varied colors are richly textured, acid-etched, granite-like, frosted in various ways (see photos). Each panel is mounted in an iron frame. Some small losses and cracks, dent at the bottom of the central panel. Restoration and installation possible on estimate. One of the panels is signed Ets Damon in Paris, famous house created by Louis Damon (1860-1947). Louis Damon, first owner of the store "Au Vase Etrusque", then worked for the
