Description

Chesterfield wingback armchair, 1930s. Superb patina of the leather. The leather needs to be re-waxed (see photos). For the seat and back, a velvet cushion is simply placed. Patinated model with numerous snags, scratches and other details all visible in the photos which give an inimitable patina very specific to this type of armchair.

Rather rare enveloping model with two types of nails and "Montgolfière" feet at the front.

Dimensions: L 88cm x H 88cm x D 115cm. Seat height: 35cm / with cushion: 50cm
