Description

Octagonal in shape, this 19th century gilt bronze box is in pure Empire style and for good reason, the lid is decorated with a medallion representing the Emperor Napoleon Bonaparte in profile in relief. The laurel frieze on the edge of the lid has a small lack probably dating from the time of its manufacture which is in the second half of the 19th century. The uprights are also decorated with a laurel frieze accompanied by alternating crowns and quivers, its interior is lined with a green velvet fabric.
