Description

We present this framed oil on thick cardboard by Léonce PELLETIER, artist born in 1869 in Pouilly sur Saône and deceased in 1950. This work is signed and dated 1907 and marked in the signature "NICE", it is probably a place located in the hinterland of Nice. Very interesting painting by this artist with sometimes very different styles. Good condition, note a jump in the material at the top center of the painting. (E25)
