Description

We are still presenting a work by the painter "Léonce PELLETIER" born in 1869 and died in 1950. This small oval and framed painting represents a woman on horseback, treated in a post-impressionist way, in perfect condition unfortunately not signed but we certify it as being by the artist because it comes from a studio fund that we bought in 1993 and that we have kept until now because we considered these paintings worthy of interest.
