### Description

Even in Sweden, the anatomy is the same. Joking aside, this school poster created by the Swedish artist Rudolf (Rudi) Henrik Tupy, (born in 1891 in Vienna, died on May 25, 1973,) around 1950. It remained a long time locked away in a Bavarian school cupboard and a good stretch will make its folds disappear. Protected from light, it has kept all its freshness. Card 100 cm and 140 cm high. In more more more condition. Given the size of the package which exceeds the meter, the sending by the postal services is higher... Hand delivery as far as possible, or even by carrier...
