Description

Magnificent and large chest of drawers in mounted parquet and gilt bronze; after the "Commode Médaillier" by Antoine Gaudreaux. This important chest of drawers is based on a priceless original, which was supplied by Antoine Gaudreaux, cabinetmaker to the King, in 1739 for the interior cabinet of Louis XV, and used mounts by the famous sculptor-bronzier Jacques Caffieri. France circa 1880. The chest of drawers is in good condition (unrestored).
