Description

Valentin Bourgeau, whose artist name is L'arme de croco, was born in Besançon and has just arrived in Paris. At just 28 years old, he introduces us to his world filled with color and precision. Thanks to his parents, an architect for his father and an interior designer for his mother, he discovered museums and was introduced to art from a very young age. He has always drawn and painted and is part of the art brut movement. L'arme de croco arrived in Paris for new horizons in 2018 and to devote himself more to tattooing and by chance, thanks to Mr. Jamin, we met. And the adventure begins, it will be his first exhibition: "In the beginning." Today, his talent continues to grow in his particular universe.
