

Early 19th Century Chinese Porcelain Olive Spoon

160 EUR

Period : 19th century

Condition : Très bon état

Material : Porcelain

Length : 26 cm

Width : 5.5 cm

Depth : 4 cm

Description

This large pierced porcelain spoon, given its general shape, must be an olive spoon. The decoration is reminiscent of German porcelain, but it is probably a Chinese import, like a large number of porcelains at the beginning of the 19th century. However, any additional information would be welcome, as the object is not common. Excellent general condition
