

Neo-gothic Bronze Clock

1 800 EUR

Period : 19th century

Condition : Très bon état

Material : Bronze

Length : 38cm

Height : 51cm

Depth : 28cm

Description

Interesting bronze clock with a medal patina in the neo-Gothic style, resting on an oak base, captioned on the basis of a text relating the fight between the Lord of Craon and the Duke of Bourbon at the siege of Soissons in 1419 (see photos). Wire movement, in working order.
