

80s Sliding Door Sideboard

1 490 EUR

Period : 20th century

Condition : Bon état

Material : Teak

Length : 168

Width : 49

Height : 73

Description

Elegant modernist sideboard combining industrial simplicity and refined lines. Chrome-plated metal frame, teak veneer top, and cream and white lacquered sliding doors. The contrasting materials and the purity of the design evoke the furniture of great European post-war designers (Cees Braakman, Jean Prouvé, etc.). Perfect original condition, beautiful wood patina, smooth sliding mechanism. Ideal for contemporary interiors, lofts.
