Description

Magnificent Scandinavian chest of drawers with 6 drawers, characterized by the richness of its rosewood grain and the sobriety of its lines. The design of the recessed handles, typical of the Nordic design of the 60s, combines functionality and minimalist aesthetics. Work of great finesse, evoking the creations of Danish designers for this piece of furniture is E Brouer for Möbelfabrik (Denmark). The elegant proportions and precious wood make it a rare piece, ideal for a vintage or contemporary interior. Furniture in good original condition, carefully maintained. No structural defects, drawers slide perfectly.
