### Description

Vintage barber's cabinet, dating from the 1920s. Made of mahogany and oak wood. Its structure is composed of two side columns, each equipped with four storage drawers, providing a functional and well-organized space. On the upper part, four drawers are harmoniously integrated: two at the ends and two in the center, for easy access and a perfectly balanced aesthetic. The whole is topped with an original white marble top, integrating two cast iron recessed basins, typical of high-end barber's furniture from the early 20th century.
