

Pair Of Sèvres Porcelain Sconces, 19th Century

2 800 EUR

Period : 19th century

Condition : Très bon état

Material : Porcelain

Description

Pair of 19th century wall sconces, made of Sèvres porcelain and richly decorated with gilt bronze mounts. Each sconce features a hand-painted romantic scene, framed by a turquoise blue background characteristic of Sèvres, highlighted by a finely chiseled frame. The two-armed sculpted bronze light arms harmoniously complete the ensemble, bringing a touch of opulence to these decorative pieces. The sconces are topped with gilt bronze musical motifs, reinforcing their artistic character. Dimensions: Height: 40 cm Width: 30 cm
